Fun, sun, water, islands....

Bay & Island Tours offers a relaxing and fun way to explore Moreton Bay and experience our unspoilt beaches and marine wildlife up close, cruising in a comfortable Gemini motor craft.

Take a full day tour on calm and safe waters, keeping an eye out for dolphins, dugongs and turtles, and enjoy lunch at the Little Ships Club, North Straddie. (The tour is also a unique way to explore Peel Island.)

Tours depart from Raby Bay Harbour, so you can also dine beside the water before and after your tour.
